Michigan.

PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Katherine L. Peretick, Commissioner

ORDER APPROVING SETTLEMENT AGREEMENT

On February 19, 2026, Upper Peninsula Power Company (UPPCo) filed an application in this case, with supporting testimony and an exhibit, requesting authority to reconcile its renewable energy revenues and expenses for the 12-month period ended December 31, 2025. UPPCo also filed its 2025 renewable energy annual report as an exhibit to its application.

A prehearing conference was held April 9, 2026, before Administrative Law Judge Lesley C. Fairrow. UPPCo and the Commission Staff participated in the proceeding. Subsequently, the parties submitted a settlement agreement resolving all issues in the case.

The Commission has reviewed the settlement agreement and finds that the public interest is adequately represented by the parties who entered into the settlement agreement. The Commission

further finds that the settlement agreement is in the public interest, represents a fair and reasonable resolution of the proceeding, and should be approved.

THEREFORE, IT IS ORDERED that:

A. The settlement agreement, attached as Exhibit A to this order, is approved.

B. Upper Peninsula Power Company's application for authority to reconcile its renewable energy plan revenues and expenses for the 12-month period ended December 31, 2025, is approved.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so in the appropriate court within 30 days after issuance and notice of this order, pursuant to MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel.

Electronic notifications should be sent to the Executive Secretary at LARA-MPSC-Edockets@michigan.gov and to the Michigan Department of Attorney General - Public Service Division at sheacl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.

SETTLEMENT AGREEMENT

Pursuant to MCL 24.278 and Rule 431 of the Michigan Administrative Hearing System’s Administrative Rules, R 792.10431, Upper Peninsula Power Company (“UPPCO” or the “Company”) and the Michigan Public Service Commission Staff (“Staff”) agree as follows:

1. Pursuant to the Michigan Public Service Commission’s (“MPSC” or the “Commission”) January 29, 2026 Order issued in Case No. U-22025 et al., on February 19, 2026, the Company filed with the Commission its Renewable Energy reconciliation application, including its Renewable Energy Annual Report (“Report”) for 2025 and direct case.

2. In its direct case, UPPCO represents that for the 12-month period ending December 31, 2025, its renewable energy plan did not include a renewable energy surcharge. Therefore, as no renewable energy surcharges were applied to UPPCO’s customers in 2025, UPPCO reported no related collections. Instead, the 2025 renewable energy plan provided for the Company to meet renewable energy standards through existing power supply resources, with the costs thereof to be addressed and accounted for through Power Supply Cost Recovery proceedings, without a separate renewable energy surcharge.

3. On March 9, 2026, the Commission's Executive Secretary issued the Notice of Hearing in this proceeding directing the Company to mail a copy of the Notice of Hearing to all cities, incorporated villages, townships, and counties in its service area and to intervenors in Case Nos. U-21811, U-21833, and U-21555. Further, the Company was directed to publish the Notice of Hearing in newspapers of general circulation throughout its service area. The Company electronically filed its affidavit of mailing and proofs of publication prior to the prehearing conference.

4. On April 9, 2026, Administrative Law Judge Lesley C. Fairrow conducted the prehearing conference. The Company and Staff attended the prehearing conference. There were no intervenors.

5. Staff thoroughly reviewed the Company's reconciliation case, including Exhibit A-1 (NEB-1). Staff also reviewed the RE Credit inventory, generation, and compliance support from the Company and from the Michigan Renewable Energy Certification System (MIRECS).

6. Following the prehearing conference, the parties participated in settlement discussions and agree as follows:

- a. UPPCO's 2025 Renewable Energy Annual Report satisfies the requirements of Section 51 of Act 295, MCL 460.1001 *et seq.*, as amended, and UPPCO is in compliance with the renewable energy standards for 2025.
- b. UPPCO and Staff agree that UPPCO meets the 2025 renewable energy credit ("REC") portfolio requirements.
- c. Because all of UPPCO's costs for its renewable energy are already included in its base rates or in rates that are used as part of the Power

Supply Cost Recovery proceedings, for the 12-month period that ended December 31, 2025, UPPCO was not authorized to charge, nor did it collect, a renewable energy surcharge. Thus, there are no revenues or expenses to reconcile in this proceeding.

7. All the parties are of the opinion that this Settlement Agreement is reasonable, in the public interest, and will aid in the expeditious conclusion of this case.

8. This Settlement Agreement is entered into for the sole and express purpose of reaching a compromise among the parties. All offers of settlement and discussions relating to this settlement are considered privileged under Michigan Rules of Evidence, Rule 408. If the Commission approves this Settlement Agreement without modification, neither the parties to the Settlement Agreement nor the Commission shall make any reference to, or use this Settlement Agreement or the order approving it, as a reason, authority, rationale or example for taking any action or position or making any subsequent decision in any other case or proceeding, however, such references may be made to enforce or implement the provisions of this Settlement Agreement and the order approving it.

9. The parties further agree that any order approving this Settlement Agreement shall not establish precedent for future proceedings. This Settlement Agreement is based on the facts and circumstances of this case and is intended as the final disposition of this case. If the Commission approves this Settlement Agreement, without modification, the undersigned parties agree not to appeal, challenge or otherwise contest the Commission order approving this Settlement Agreement.

10. This Settlement Agreement is not severable. Each provision of this Settlement Agreement is dependent upon all other provisions of this Settlement Agreement. Failure to

comply with any provision of this Settlement Agreement constitutes failure to comply with the entire settlement agreement. If the Commission rejects or modifies this Settlement Agreement or any provision of this Settlement Agreement, this Settlement Agreement shall be deemed to be withdrawn. It shall not constitute any part of the record in this proceeding or be used for any other purpose and shall not operate to prejudice the pre-negotiation position of any party.

11. All signatories agree to waive § 81 of the Administrative Procedures Act of 1969, as amended, MCL 24.281, as it applies to the issues in this proceeding, if the Commission approves this Settlement Agreement without modification.
