Re: Ex Parte Filings for CC Docket No. 00-199  
(2000 Biennial Regulatory Review)

Dear Ms. Salas:

On Wednesday, September 12, I met with the following persons from the FCC regarding the above referenced docket: Commissioner Kevin Martin and Sam Feder. I stressed the need for certain accounting standards and reporting requirements to be maintained and for certain new accounts. Specifically, I referenced the interconnection agreements and UNE pricing approved by the Michigan PSC involving Ameritech and Verizon.

We also discussed the need for states to review the national pooling administrator's roll-out schedule.

If you have any questions about this letter, please do not hesitate to contact me at 517-241-6195.

Sincerely,

Robert B. Nelson  
Commissioner
