

**STATE OF MICHIGAN
BEFORE THE MICHIGAN PUBLIC SERVICE COMMISSION**

CASE NO. U-21337

NOTICE OF PUBLIC HEARING

**PETITION ON BEHALF OF THE MICHIGAN TELECOMMUNICATIONS INDUSTRY
BY THE NORTH AMERICAN NUMBERING PLAN ADMINISTRATOR, FOR RELIEF
OF THE “313” NUMBERING PLAN AREA**

- The North American Numbering Plan Administrator requests the Commission to approve its proposed relief plan concerning the 313 area code. The 1999 Central Office (CO) Code Utilization Survey’s projected demand for new CO codes (referred to as NXX codes) indicated that the still-available NXX codes in the 313 numbering plan area (NPA or area code) could be exhausted by the first quarter of 2000. Based upon the projected exhaustion date and an unanticipated increase in the demand for NXX codes within the 313 area code, the North American Numbering Plan Administrator (NANPA) (which, at that time, was a company called NeuStar, Inc. (NeuStar)), notified the Commission on May 28, 1999, that relief planning for the 313 area code needed to be addressed as soon as possible. On September 7, 2001, the Commission issued an order approving the overlay concept, and NANPA adopted the 679 area code. Thereafter, the industry undertook number conservation efforts. On November 16, 2022, NANPA filed a petition seeking relief for the 313 area code which is again approaching exhaustion. On January 19, 2023, the Commission issued an order soliciting public comment and setting a public hearing for March 9, 2023. Comments are due March 20, 2023. The industry may reply on March 30, 2023. The public hearing shall be legislative in nature and any person may present data, views, questions, and arguments regarding the proposed 313 area code relief plan.
- You may call or write North American Numbering Plan Administrator (NANPA), Two Tower Center Blvd., Fl. 20, New Brunswick, NJ 08816, for a free copy of its proposal. Any person may review the documents at the offices of North American Numbering Plan Administrator (NANPA) or review documents filed in this case through the Commission’s [Electronic Docket](#) system.
- The hearing is open to the public and the information below describes how a person may participate in this public hearing.
- This hearing is being held **in-person only** and there will be no remote or video option available.
