#### Public Comment for the Public Hearing:

Members of the public who wish to make a comment may do so during the public comment portion of the hearing, subject to the following requirements. Comments should be limited to no longer than three (3) minutes; however, the presiding officer will manage the public comment process and may adjust or place further limits on how long a person may speak.

Public comments must be directed to the Commission and should not be used to engage with other participants or respond to their comments. The public comment period is an opportunity for commissioners to listen to comments and concerns and not to answer questions. Public comments should be limited to one per person.

The Commission will take public comments in the following order: in-person, Microsoft Teams Livestream Q&A, and phone.

#### *Pre-register to Make Public Comments.*

Because there are many individuals expected to participate, members of the public who wish to make a comment are **strongly encouraged** to pre-register so the proper time limitation arrangements can be made. Members of the public may pre-register by using this registration form or by calling 1-800-292-9555. The presiding officer will take up comments from those individuals who have pre-registered first in the order described above. 3 Public Comments Made In-person If you are unable to pre-register and attend the public hearing in-person, you may still make verbal comments after all registered members of the public have commented, provided time permits.

*Public Comment Requests via Microsoft Teams Livestream Q&A*

If you are unable to pre-register and would like to be queued up for verbal comments during the public hearing and have access to the Microsoft Teams Livestream, you may do so by entering your full name and where you live into the Q&A feature on your computer. Your name will be added to a queued list and will be called upon in the order received, provided time permits. Please avoid including any written comments in the Q&A feature. This feature is available on the right-hand side of the control bar next to the mute button.

*Public Comments via Phone*

After taking up comments from those that have pre-registered or registered through the Q&A feature, the presiding officer will then provide an opportunity for comment from individuals who were unable to pre-register and who are participating by phone but not utilizing the online Q&A feature, provided time permits. When it is your turn to speak, press \*6 on your phone to unmute. Please indicate your name, and where you live if you are willing to share, so we have that information for our records. View and Listen to the Public Hearing Only: As described above, this public hearing will be broadcast live using Microsoft Teams Livestream. For those wishing to view and listen to the hearing only, and not desiring to provide public comment, please click the Microsoft Teams Livestream hearing link.
