**NOTICE TO RESPOND TO MOTION TO AMEND THE OCTOBER 27, 2015 ORDER
ESTABLISHING REQUIREMENTS FOR AN ANTRIM NATURAL GAS WELL, POOL,
OR FIELD TO OPERATE UNDER A VACUUM**

On August 19, 2024, Riverside Energy Michigan, LLC (Riverside Energy) filed a motion to amend the October 27, 2015 order establishing requirements for an Antrim natural gas well, pool, or field to operate under a vacuum. Riverside Energy proposes a change to the requirements of Section VI.A., which provides, in part, as follows: An operator of an Antrim field or project under vacuum shall annually file a report with the Michigan Public Service Commission (Commission) and, for each Antrim field or project, the annual report shall contain (1) all dates on which the oxygen level were measured at or above 5 ppm for a period of 10 minutes; (2) an annual analysis of fuel consumption versus the estimated incremental production for the first 12 months of operation; and (3) the average monthly wellhead pressure for each well that was operated under vacuum.

Riverside Energy proposes that Section VI.A. be amended so that the reporting requirements for the average monthly wellhead pressure for wells operated under a vacuum be required only for the first 12 months and, that after the first 12 months of operation, the annual report need not include the average monthly wellhead pressure for each well operated under vacuum. Furthermore, Riverside Energy proposes that after the first 12 months of operation, operators shall monitor wellhead pressure for each well and retain records for Commission review and inspection; however, such records would not be required to be filed with the annual reports. According to Riverside Energy, the purpose of the proposed amendments is to lessen the significant regulatory burden on operators to file reports of monthly wellhead pressures after the first 12 months of well operation.

A copy of Riverside Energy's motion may be reviewed on the Commission's E-Dockets website at: <https://mi-psc.my.site.com/s/>. Responses to the motion may be filed with the Commission and must be received no later than 5:00 p.m., Eastern Time, on **June 6, 2025**. Responses should reference Case No. **U-16230**. Responses can be electronically filed, or emailed to mpscedockets@michigan.gov. Written responses may also be sent to the Executive Secretary, Michigan Public Service Commission, P.O. Box 30221, Lansing, Michigan 48909.

All documents electronically filed in this case shall be submitted through the Commission's E-Dockets website at: <https://mi-psc.my.site.com/s/>. Requirements and instructions for electronic filing can be found in the User Manual on the E-Dockets help page. If you require assistance, contact Commission staff at (517) 284-8090 or by email at: mpscedockets@michigan.gov.
